

Tomahawk Axe and Stainless Wire Saw Set with Nylon Sheath - Top Quality/High Performance!

Product Description

The Tomahawk/Wire Saw Set is a must-have tool for all types of recreational and occupational outdoor activities. Both components are designed for camping, hunting, hiking and survival needs.

This is a great tool and accessory for:

- cutting trees, branches and bushes
- breaching operations
- excavation
- and much more!

This outstanding Tomahawk Axe can also be used effectively for hunting and even self defense.

The wire saw accessory is ideally-designed for easy cutting of firewood and similar materials. Use it to easily produce shelter materials, as well as many other applications.

It can also easily be used for cutting bone, tough materials such as PVC, as well as other relatively soft materials.

Note: Not ideal for metal or stone cutting.

Sturdily constructed of stainless steel and features an attractive, scratch-resistant black finish. The 4.5-inch axe blade is optimally designed to resist corrosion. It can also withstand significant impact damage.

The Tomahawk Axe is precision-engineered to serve multiple purposes, in virtually any rugged outdoor setting or conditions.

The multiple edge design provides significant use advantages. Use the blunt edge for hammering, blunt-force, and other non-cutting uses. The cutting edge will provide easy extraction, gouging and other uses where a sharp, reliable and precise edge is needed.

Other features of the Tomahawk Axe:

- 10.5" overall length and 4.5" cutting edge
- Includes green paracord-wrapped handle
- Includes black nylon belt sheath
- Weighs 10.5 oz
- Perfectly balanced for throwing and precision swinging

Features of the Wire Saw:

- Made from top-grade stainless steel
- Includes pull-tab + 360° rotating swivel point
- Swivels at the wire ends to relieve torsion stress – (extends useful life!)
- Wire length is 21.65" (Overall length – 27")
- Wire saw weight - 1 oz.
- Blister-packed

Ergonomic-design, craftsmanship and ideal weight ensures years of comfortable, reliable use!

The Tomahawk Axe/Wire Saw kit is backed by a [xxx]-year warranty against all defects in manufacturing and materials.

What you get: Tomahawk Axe, Wire Saw, and nylon sheath.
